

THE BAOBAB TRACK

JUNE 2019

START OF THE TRIP

Lot of happiness and excitement before the start of the first Kini Adventure's raid. After a quick briefing all the riders look forward to discover Madagascar.

DESCENT OF THE
HIGHLANDS

A person wearing a helmet and a backpack is riding a motorcycle on a dirt path that winds through a vast, hilly landscape. The terrain is covered in dry, yellowish-brown grass. In the background, there are rolling hills and a prominent, flat-topped mountain under a blue sky with large, white, fluffy clouds.

MEETING WITH THE POPULATION

The Sakalava tribute between Morondava and Manja. Sakalava women return from the fields where they grow rice and wash their linen in the river.

A full-page photograph of two motorcyclists crossing a wide river. The lead rider is on an orange motorcycle, and the second rider is on a dark-colored motorcycle. Both are wearing full protective gear and helmets. They are moving from left to right, creating a large splash of water behind them. The background features a line of green trees and a bright blue sky with scattered white clouds. A white rectangular box is overlaid on the left side of the image, containing the text 'MANY RIVERS TO CROSS'.

manual cable.
